

Choose

4. Memory Box

Eine Erinnerungsbox der Hauptfigur.

Enthält:

- Fotos
- Briefe
- Tickets
- kleine Gegenstände
- Notizen

Jeder Gegenstand erzählt einen Teil der Geschichte.

Kreativ-literarische Produkte

14. "How to Survive..." Guide

How to survive life on Artemis

How to survive waking up in a different body every day

Sehr ähnlich zu deinem Survival Guide, aber stärker humoristisch.

“World Rules Poster”

Students extract rules of each novel:

Every Day

- identity rules
- body-switch logic

Artemis

- lunar life rules
- survival constraints

👉 extrem textnah, fast „reading comprehension disguised as creativity“

18. Character Trading Card

Wie eine Pokémon- oder Fußballkarte.

Kategorien:

- bravery
- intelligence
- empathy
- independence
- resilience

mit Punktwerten.

Beim Gallery Walk vergleichen die Lernenden die Figuren.

1. Freeze Frame / Standbild mit Gedankenblasen

Auftrag

Choose an important scene and create a freeze frame.

Anschließend ergänzen die Gruppen:

- What is each character thinking?
- What is each character feeling?
- What will happen next?

Erweiterung

Besucher erhalten nur das Foto des Standbildes und müssen interpretieren:

- What's happening?
- Who has the most power?
- What conflict can you see?

Besonders geeignet

Every Day

- Erstes Treffen mit Rhiannon
- Konflikt zwischen Wahrheit und Geheimhaltung

Artemis

- Verhandlungen mit anderen Figuren
- Entscheidungen vor riskanten Aktionen

10. Living Timeline

Die Gruppe erstellt eine Zeitleiste.

Jede Station wird als Mini-Standbild dargestellt.

Besucher laufen die Geschichte ab.

Sehr gallery-walk-tauglich.

15. Text-Based Conscience Corridor

Auftrag

Choose a real decision from the book.

Recreate the conscience alley BUT:

- each argument must come from text evidence

👉 Ergebnis:

Foto + Argumentkarten

3. Inner vs. Outer Self Poster

Zwei Ebenen:

- „How others see me“
- „How I see myself“

Mit Belegen aus Szenen.

👉 Besonders stark für *Every Day* (Identitätswechsel!)

3. Szenenspezifische Aufgaben zu *Every Day*

6. Body Swap Logic Map

Auftrag

Explain how the body-switch works based on the text.

Students must include:

- rules inferred from chapters
- exceptions
- uncertainties

👉 Ergebnis:

Diagramm „Rules of A’s world“

✓ sehr gutes Leseverstehen (induktives Arbeiten)

8. “Identity Evidence Board”

Auftrag

Collect textual evidence for:

- Who is A?
- What stays constant?
- What changes?

👉 Ergebnis:

Beweiswand (Quotes + Interpretation)

Artemis

Science + Plot Decoder

Auftrag

Identify and explain:

- scientific elements
- how they affect the plot

👉 Beispiele:

- oxygen supply
- vacuum environment
- smuggling system

👉 Ergebnis:

“Science explanation board”

✓ Leseverstehen + Fachvokabular

“Living in Another World – Understanding Characters and Worlds”

Your Task

In small groups (3-5 students), you will explore your novel further.

You will create **creative and text-based products** to show your understanding of:

- the main character
- the world of the story
- important events and decisions

At the end, you will take part in a **Gallery Walk**, where you present your work and learn about the other novel.

By the end of this project, you can:

- understand important parts both novels
- explain characters, events, and rules of a fictional world
- use evidence from the text
- express ideas creatively in English
- compare different fictional worlds and characters
- talk about literature

You can choose between tasks in two categories. Each group must complete ONE “Core Task” (required) AND ONE “Creative Extension Task” (your choice).

Core Tasks	Creative Extension Tasks
World Rules Poster	Memory Box
Identity Evidence Board (Every Day) or Science & Plot Decoder (Artemis)	How to Survive Guide
Character Trading Card	Freeze Frame Scene
	Living Timeline
	Inner vs Outer Self Poster

Important Rules

- Use **English only**
- Use **simple explanations + examples from the text**
- Every product must show:
 - understanding of the story
 - at least some evidence or example
- Be ready to explain your work in the Gallery Walk

Core Tasks (choose one):

1) How to Survive... Guide

Create a (humorous) **Survival Guide**: „How to survive life on Artemis“ **OR** „How to survive waking up in a different body every day“

• **Your guide must include:**

- 5 important rules
- 3 dangers or problems
- 3 useful tips
- 1 “warning message”

Language help:

- You should...
- You must always...
- Be careful when...
- Never forget that...
- A good idea is to...

2) World Rules Poster

Create a “World Rules” Poster to explain how the world of your novel works.

Choose your book:

- *Every Day*: identity and body-switch rules
- *Artemis*: life on the Moon rules

Include:

- 5–8 rules of the world
- 2 exceptions or problems
- 2 examples from the story

Language help:

- In this world...
- People must...
- It is not allowed to...
- One problem is...
- For example...

3) Character Trading Card

Create a trading card for your main character.

Include:

- name
- strengths
- weaknesses
- background
- 5 rating scores (1–10):
 - bravery
 - intelligence
 - empathy
 - independence
 - resilience

Language help:

- The character is good at...
- The character struggles with...
- In the story, they...
- This shows that...

Creative Extension Task (choose one):

1. Memory Box (Every Day / Artemis)

Create a Memory Box

Work in groups. Create a memory box of the main character.

Your box must contain at least **5 items**.

Choose from:

- photos
- letters
- tickets
- small objects
- notes

For each item, write:

- What is it?
- When does it appear in the story?
- Why is it important?

Language help:

- This item shows that...
- It is important because...
- It reminds the character of...
- In this scene...

1. Freeze Frame + Thought Bubbles

Choose an important scene and create a still image. Everyone in the group becomes one character.

Add thought bubbles. Write:

- What are you thinking?
- What are you feeling?
- What will you do next?

Language help:

- I think...
- I feel...
- I want to...
- I am afraid that...

6. Living Timeline

Create a Living Timeline

Show the story as a timeline.

Choose **5–6 important moments**.

For each moment:

- create a small freeze frame, picture or live picture (moving for a few seconds)
- write a short description (1–2 sentences)

Language help:

- At this point in the story...
- The character decides to...
- This leads to...

7. Text-Based Conscience Corridor

Task: Make a Conscience Corridor

Choose one important decision from the book.

One student is the main character.

Two lines of students:

- one side = FOR the decision
- other side = AGAINST the decision

Important rule:

All arguments must be based on the text.

Language help:

- In the text it says that...
- This shows that...
- The character thinks...
- A problem is...

Gallery Walk task:

Visitors answer:

- Was the decision right or wrong? Why?

8. Inner vs. Outer Self Poster

Task: Create a Two-Side Poster

Show two sides of the character:

Side 1: “How others see me”

Side 2: “How I see myself”

Include:

- 3 descriptions for each side
- 2 quotes or examples from the story

Language help:

- Other people think I am...
- But I feel...
- In the story...
- This shows that...

Gallery Walk task:

Visitors answer:

- Is the character understood by others?

9. Body Swap Logic Map (Every Day)

Task: Create a Logic Map

Explain how the body-switch system works.

Include:

- rules of the body switch
- what is always true

- what is unclear or strange
- examples from the story

 Language help:

- A important rule is...
- This happens when...
- It is not clear why...
- For example...

 Gallery Walk task:

Visitors answer:

- What is confusing about A's life?

10. Identity Evidence Board (Every Day)

Task: Build an Evidence Board

Answer the question: Who is A?

Include:

- 3 pieces of evidence from the text
- explanation of each evidence

Language help:

- In the text A says...
- This shows that...
- This proves that...

 Gallery Walk task:

Visitors answer:

- Who is A really?

11. Science & Plot Decoder (Artemis)

Task: Decode the Science in the Story

Explain the scientific ideas in the novel.

Include:

- 3–5 scientific elements:
 - oxygen system
 - moon environment
 - technology / smuggling / economy
- how they affect the story

Language help:

- This is important because...
- It works like this...
- It causes a problem when...
- In the story...

Gallery Walk task:

Visitors answer:

- How does science create conflict in the story?
-
