

Short Film Project “ –Becoming Me”

1. Finding your topic (Idea & Focus)

- What do you want to say about your identity? (Who am I? Who am I becoming?)

- Which topic fits your idea best? Tick your choice and explain it briefly.

social media / algorithms

food / culture / belonging

origins / globalization

- Why is this topic personally important to you?

2. Personal connection (Your perspective)

- What experiences from your own life can you include?

- When did you feel:

- influenced by others?

- unsure about who you are?

- What shapes you more: family, friends, culture, or media? Why?

3. Message & meaning (What your film says)

- What is the main message of your film? What should the audience learn or think about?

- Do you want to... (tick your choice and explain it briefly):

...ask a question? ...tell a story? ...show a problem? ...give a personal answer?

4. Style & creativity

- What kind of film do you want to create (tick your choice and explain it briefly)?

documentary fictional story vlog-style montage / artistic film

- What mood do you want to create, ... (tick your choice and explain it briefly)

...serious ...emotional ...critical ...hopeful

5. Practical planning

- Where will you film?

- Who do you need? (actors, voices)

- What materials or props do you need?

- How will you organize your time?

5. Film structure (Planning your story)

- How will your film begin (introduction / question / scene)?

- What happens in the middle (development / conflict / reflection)?

- How will it end (answer / open question / message)?

- Will you use... (tick your choice and explain it briefly):

...narration (voice-over)?

...dialogue?

6. Concrete example (Make it real)

- Have a closer look at one concrete scene or sequence.
 - Describe the scene.

- Who is involved?

- Explain why it helps to understand your message

7. Reflection (Final check)

- Does your film answer the question: “Who am I in a complex world?”

- Is your perspective personal and clear?

- Do you have a strong idea + example + message?
